ERIE, PA 16502

Industries Served

- AUTOMOTIVE
- ELECTRONICS
- HARDWARE
- APPLIANCE

- Automatic Zinc Rack and Barrel Lines
- Automatic Chromate Line for Aluminum Alloys
- Automatic Bright Nickel Barrel Line

Commercial Grade and Specification Finishes

- Capable of Plating to Federal, ASTM, and many company specifications including requirements of ISO 9001-2000

Finishing Processes

- Zinc Plating
 - ZinKlad Licensed Applicator
 - Hexavalent Free Chromates
 - Meets ELV, RoHS/WEEE Directives
 - Trivalent Yellow
 - Trivalent Clear
 - Trivalent Black
- Chromate Conversion Coating on Aluminum
 - Per MIL-C-5541
- Passivation of Stainless
 - Per ASTM A-967-96 [QQ-P-35]
- Nickel Plating
 - Bright Nickel per QQ-N-290
- Zinc Alloy Plating
 - Zinc Nickel Plating per ASTM B-841

Additional Services

- PICKLING
- VIBRATORY FINISHING
- ETCHING
- BAKING
- DOW 557 LUBRICANT
- BLACKENING
- POST DIP SEALERS
 - JS500/600
 - JS2000 Series
 - Torque/Tension Coatings
 - Ultraseals

Quality Assurance

- Chemical Process Analysis
- Electronic Thickness Testing
- Waste effluent compliance that meets Or exceeds local, state, and federal standards

- Lot Certifications \$8.00
- Lot Certification and RoHS Testing \$20.00

ISO 9001:2000

Certificate #3206

02/09/2007-02-08-2010
